Hot Swap Hard Drive Caddy with eSATA Port

Pop it in. Pop it out. Accessing your SATA HDDs has never been easier with Antec's Easy SATA internal hard drive docking station. The Easy SATA fits in one 5.25" drive bay and supports all your 3.5" SATA HDDs, while the convenient built-in eSATA port lets you transfer data at up to 3Gbps. Plus, the stylish black finish blends in seamlessly with your PC's front panel. With an included 600mm internal SATA data cable for simple connection to your motherboard, the Easy SATA is the quickest, easiest way to access your SATA HDDs any time of the day! It's just that easy with Antec's Easy SATA.
